Reformer Class Descriptions

Reformer Pilates - 50mins

A low impact small group class, designed for all abilities & fitness levels with qualified instructors. A full body workout using spring loaded resistance reformer beds with a focus on building strength, improving flexibility, balance and posture.

Restorative Reformer - 50mins

Gentle, slower paced class designed to focus on stretching and flexibility. Specific exercises to help release tension, improve mobility, enhance flexibility and improve overall physical and emotional well-being.

Mindful Movement Studio Class - 50mins

Utilising a comprehensive range of Pilates apparatus including Wunda Chair, Barrel, Tower and Reformer. Our certified instructors create tailored classes designed to build strength, enhance mobility, refine techniques, and improve overall well being.

Grip socks

Grip socks are required for the following reasons:

- Safety: Grip socks contain a non-slip sole that enhances traction and helps prevent slips or falls during reformer workouts.
- Hygiene: Grip socks contribute to a cleaner, more hygienic environment for everyone in the studio.
- Performance & Stability: Grip socks support better balance, control and help improve overall performance allowing smoother transitions during reformer exercises.

If you don't have grip socks, they are available for purchase at reception.
